

Glovlet®

Glovlet® Cotton Liner

Glovlets® are designed for people who use gloves everyday. Glovlets® are a fingerless, re-usable natural cotton liner glove. Their fingerless nature allows you to maintain a strong textured grip. The Glove Company's Glovlets® feature the latest moisture wicking technology to help keep your hands feeling fresh and natural.

The Glove Company's Glovlets® provide users many benefits most importantly, they keep your skin fresh and can prevent dermatitis. Glovlets® also act as an extra layer of hygiene protection at public gyms and sports recreation centres. Any frequent glove user would know damp-donning and re-donning is a problem that our Glovlets® were designed to solve.
